<u>Agenda Item Title</u> :	Resolution Approving Entering into an Agreement with Kelley Cawthorne, PLLC and John Crongeyer, Esq. to Join in a Class Action Lawsuit Against On-Line Hotel Booking Companies	
Submitted by:	Ingham County Treasurer	
<u>Committees</u> :	LE, JD, HS, CS_*_, Finance_*	

Summary of Proposed Action: This resolution authorizes the Treasurer to join a class action lawsuit against hotel room wholesalers. The County will join the lawsuit with other Counties, represented by Kelley Cawthrone, PLLC.

Financial Implications: The attorney fees will be of no cost to the County regardless of the outcome of the lawsuit. If successful, the County should experience a nominal increase in hotel tax revenue in the future.

<u>Other Implications:</u> If the lawsuit is successful, the County will assist to uphold the integrity of enforcement of our local ordinance.

Memorandum

- To: County Services and Finance Committees of the Ingham County Board of Commissioners
- From: Eric Schertzing, Ingham County Treasurer

Re: Legal Representation Agreement/Hotel Tax Ordinance

Date: January 7, 2008

My office was asked to join a class action lawsuit against hotel room wholesalers. The issue is whether the wholesaler is paying the appropriate Hotel/Motel Tax pursuant to Ingham County Ordinance (Resolution No. 91-234). The allegation is that hotel room wholesalers purchase rooms at reduced rates and then the wholesaler offers the room to consumers via the internet at a higher rate. Currently, the hotel tax is assessed on the reduced rate the wholesaler paid, rather than the actual price the consumer paid. The lawsuit seeks a legal ruling that the tax should be imposed on the higher rate the consumer paid.

Former Attorney General Frank J. Kelley's law firm, Kelley Cawthorne PC, is representing a number of other Michigan counties in this class action litigation. In my opinion, Ingham County should join this class action. If the allegation is true, Ingham County should experience a nominal increase in hotel tax revenue in the future. More important, if the allegations are true, this lawsuit will strive to uphold the integrity of enforcement of our local ordinance. There is no financial commitment for attorney fees or costs whatsoever to Ingham County regardless of the outcome of the litigation.

REPRESENTATION AGREEMENT

Come now the law firms of Kelley Cawthorne, PLLC and John Crongeyer, Esq. ("Counsel") and Ingham County, Michigan ("Client") and agree as follows:

Client hereby engages and authorizes Counsel to exclusively represent it in regards to any claims Client may have against on-line hotel booking companies such as Hotels.com L.P., Expedia, Inc., Orbitz, Inc., etc. (hereinafter the "Class Action") for taxes, including without limitation hotel excise taxes pursuant to State of Michigan Public Act 263 of 1974, MCL §141.861. *et seq.* (hereinafter collectively referred to as the "Hotel Tax Claims") owed by said entities to the Client directly or through the State of Michigan as its collection agent. In conjunction with such representation, Client specifically authorizes Counsel to add Client as a named party to the Class Action.

Counsel and Client agree that all fees and expenses of Counsel incurred in this representation of Client shall be paid out of the proceeds, if any, obtained in the Class Action on behalf of Client and other Class members in the amounts and conditions as determined by the Court in the Class Action and that such will be the sole obligation of Client for their legal fees and expenses in regards to this representation. If a Class Action is not certified by the Court, then in no event shall counsel fees exceed onethird of any proceeds. If there are no proceeds, the Client is not responsible for any legal fees and expenses related to this action.

RE:	Dentist New Hire –Advance Step Placement - Health Department

Human Resources supports and recommends approval of Dr. Dean Sienko's request for advance grade placement. As presented in the January 8, 2009 documentation; the occupation is in great demand. Accordingly, by necessity, it must be treated as a labor market exception. Normal rate range progression is not an option.

Consistent with provisions of the Managerial and Confidential Employee Personnel Manual, B. Compensation Plan, Item 7, Page 3... Human Resources recommends approval of the request to start Dr. Stephen Pittel at M14, Step 5 Level.

DATE: January 8, 2009

Re: Recommendation to Start a Dentist at Step 5

The Health Department currently has a vacant dentist position that has remained open since February, 2007. The Department's lag in filling this position is not unique as many of our brethren Health Departments and Community Health Centers find it difficult to recruit dentists. Additionally, there is national recognition that the marketplace for dentists is very competitive and that there is a shortage of dentists available to serve the needs of the medically underserved.

In order for the Department to maintain high quality dental care for its adult dental population and to maintain revenue projections resulting from dental services it is critical to recruit and retain a dentist. Competitively recruiting a dentist today requires salary considerations beyond Step 1 of the M14 salary grade as stipulated within the County's Managerial and Confidential Agreement.

Dr. Stephen Pittel is a 1982 University of Detroit School of Dentistry graduate. Since graduation Dr. Pittel has owned and operated a private dental practice in Warren, MI. In addition, Dr. Pittel serves as an officer with the Michigan Air National Guard and currently holds the title of Chief Dental Officer within the Guard. Both of these professional endeavors have provided Dr. Pittel with diverse dental experiences. In fact, the Health Department and its patients have already benefited from this experience as Dr. Pittel has been functioning as a contractual dentist with the Health Department since November 2008.

As Dr. Pittel has come to know the Health Department's dental operations he has expressed interest in the full time position. Following an interview for this position, Dr. Pittel indicated that he is willing to accept the full time position contingent on step 5 in the Dentist salary range, (\$92,667). Consequently, I am recommending that the County Services Committee authorize a starting salary for Dr. Pittel at the M14 - 5 level.

One of the cost cutting measures the Health Department made in October was to eliminate a Community Health Representative II position in the Well Child Health Center and relocate the Health Program Assistant in Planning and Special Services, Health Promotions Program to the Well Child Health Center. Some of the duties and responsibilities have been reassigned to others in Planning and Special Services however, the tobacco vendor licensing and compliance check operations have been allocated to the three quarter time Account Clerk in the Office for Young Children (Position # 601343).

This is a recommendation to change the status of the Account Clerk (Position # 601343) in the Office for Young Children from three quarter time to full-time. The recommendation is being made to support the additional duties and responsibilities the position has assumed. The added cost to the Health Department of \$10, 342 (\$6,895 for the remainder of 2009) will be covered by a combination of \$5,342 in expected monetary civil penalties for violation of the tobacco regulation and \$5,000 in grant revenues from the American Legacy Foundation already budgeted for the tobacco program. Human Resources and the UAW are supportive of this change. I recommend that the Board of Commissioners adopt the attached resolution and authorize the change in status for Position # 601343, effective February 2, 2009.

WHEREAS, one of the cost cutting measures the Health Department made in October 2008 was to eliminate a Community Health Representative II position in the Well Child Health Center and relocate a Health Program Assistant in Planning and Special Services to the Well Child Health Center; and

WHEREAS, some of the duties and responsibilities of the Health Program Assistant have been re-assigned to others in Planning and Special Services; and

WHEREAS, the tobacco vendor licensing and compliance check operations have been allocated to the three quarter time Account Clerk in OYC (Position # 601343); and

WHEREAS, the Deputy Health Officer responsible for OYC has advised the Health Officer that the status of the Account Clerk will need to increase from three-quarter time to full-time in order to support the increased duties and responsibilities; and

WHEREAS, the existing Account Clerk position (currently occupied by Sharon Verhoughstrate) is in support of the position being converted from three-quarter time to full-time; and

WHEREAS, the Health Officer has been advised that the added cost to the Health Department of \$10,342 (\$6,895 for the remainder of 2009) will be covered by a combination of \$5,342 in expected monetary civil penalties for violation of the tobacco regulation and \$5,000 in grant revenues from the American Legacy Foundation already budgeted for the tobacco program; and

WHEREAS, the Health Officer is recommending that the Position #601343 be converted from three-quarter time to full-time to accommodate the extra time needed to complete these new duties and responsibilities.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners authorizes a change in status, from three-quarter time status to full-time, for Position #601343, effective February 2, 2009.

Re:	Emergency Repair- Jail Hot Water Storage Tank

In the beginning of December, we replaced the boiler at the Ingham County Jail. During the process, we were made aware that the 900 gallon holding tank that supplies the hot water to the Jail had sprung a leak. At the time the leak was small and we were able to perform a temporary fix. Knowing that this tank would need to be replaced, an engineering firm was hired to draw up replacement specifications. Four mechanical contractors were contacted to submit a bid; Myers Plumbing, Eifert Plumbing, Shaw-Winkler and John E. Green. Myers was lowest bid and this project was to go on the agenda for the January 20, 2009 County Services meeting; however, we are not going to make it that long. Not only has the temporary repair failed but the original leak has gotten larger. It has now become an emergency repair. Myers has been notified of the situation and is working to have the replacements installed this week.

RESOLUTION STAFF RI	EVIEW DATE January 7, 2009
<u>Agenda Item Title</u> :	Resolution Extending Agreement with the Accident Fund for Administration of the Self-Funded Workers' Compensation Program
Submitted by:	Robert J. Smith, SPHR and T. A. Lindsey, Human Resources Director
Committees:	LEJD, HS,CS <u>*</u> Finance <u>*</u>

Summary of Proposed Action: This Resolution would extend the current agreement with the Accident Fund to provide administration of the self-funded Workers' Compensation Program for Ingham County and the Ingham County Medical Care Facility for a period of two years.

Financial Implications: Anticipated cost increases are an increase in excess insurance premiums from 0.0840% of payroll to 0.085427% of payroll. Excess insurance pays costs over \$300,000 for any one (1) claim. Ingham County had two (2) claims go into excess coverage in 2008.

The per claim charge was increased from \$130.00 to \$139.00 per medical only claim and from \$715.00 to \$735.00 per indemnity (lost wages) claim. From a total of 136 claims in 2008, five were indemnity claims. Due to the recent termination of the in-kind service agreement with Ingham Regional Medical Center, the Accident Fund is also requesting Ingham County increase the Loss Fund Reserve Account by \$20,000.00 to a total of \$70,000. This fund is used to make claim payments and is replenished monthly by Ingham County. Ingham County Medical Care Facility and Rehabilitation Hospital reimburses Ingham County for any claims cost related to their employees.

An annual administration charge of \$2,500.00 has been added. Complete details of charges and costs are attached.

Other Implications: The Accident Fund has provided excellent service to the County and the employees. They have been aggressive in working with on contested claims, coordinate their communications with providers, the County Attorney and the Insurance Administrator. They keep the employee informed of claim status (progress).

The Accident Fund has provided strong employer support in the form of an annual training session for administrators, Loss Prevention Trainers, and is available 20 hours per year with no incremental cost, as well as a library of training videos on safety and work place issues available for loan on a rotating basis.

The Accident Fund will continue the "*Life of Claim*" service for this renewal period. This is an exception to the norm as most of their new clients and renewals are being written as *Life of Contract*. The difference is a Life of Contract claim is processed for the base fee for the life of the contract plus 24 months. If the claim is still open, there is a \$300 per year, per open claim continuance fee as, long as the claim is open. A Life of Contract claim will be managed by the Accident Fund as long as the claim is active, even if the County and Accident Fund end their relationship at some future point in time.

RE: LEAP Membership

The Ingham County Board of Commissioners became a member of the Lansing Area Economic Partnership (LEAP) in 2008 as a way to expand the County's efforts at business attraction. Through LEAP Ingham County would have a voice with other local municipalities and private businesses in attracting new business to the area.

The 2009 membership fee of \$35,000 is now due. The Board of Commissioners has the opportunity to decide if it wishes to continue as a member of LEAP or to move in a different direction. This membership allows the Board to appoint one person as a voting member. If the Board wishes to continue as a member, the membership fee would have to be taken from the 2009 contingency fund.

RESOLUTION RECOGNIZING "BLACK HISTORY/CULTURAL DIVERSITY MONTH" IN INGHAM COUNTY

WHEREAS, each February "National African American History Month" also known as "Black History Month" is observed to celebrate and honor the many achievements and contributions made by African Americans to our economic, cultural, spiritual, and political development; and

WHEREAS, in the early 1970's the event was called Black History Week, and in 1976, the Association succeeded in expanding the observance, which then became Black History Month; and

WHEREAS, the United States is a diverse nation comprised of citizens from various ethnic groups and cultures; and

WHEREAS, it is important to promote a greater awareness of the history and culture of all ethnic groups across our country.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby recognizes the month of February, 2009 as "Black History/Cultural Diversity Month" in Ingham County.

Agenda Item Title:	Resolution to Amend the 2009 Fair Fund Budget					
Submitted by:	Controller's Office					
Committees:	LE JD, HS , CS * , Finance *					

Summary of Proposed Action: In 2008, the Fair Fund required a transfer from the General Fund in order to avoid a deficit fund situation. The primary problem was revenue that came in significantly lower than budgeted. Off-season rentals and activities decreased significantly in 2008. In order to avoid a similar problem in 2009, this resolution proposes the reduction of the budget so that expenses will be in alignment with newly projected revenues.

Financial Implications: The 2009 adopted Fair Budget of \$874,565 will be reduced by \$73,615, or 8.4%, to \$800,950. See the attached schedule for line item detail of budget adjustments.

<u>Other Implications</u>: The Fair Fund will be carefully monitored, and amended as necessary, throughout 2009 to avoid the need for a General Fund appropriation.

Introduced by the County Services and Finance Committees of the:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO AMEND THE 2009 FAIR FUND BUDGET

WHEREAS, actual 2008 revenues for the Ingham County Fair came in significantly under budget, primarily due to a decrease in off-season rentals and activities; and

WHEREAS, the Fair will also amend its expense budget to stay within the revised revenue projections.

THEREFORE BE IT RESOLVED, that the 2009 Fair Budget be amended as follows:

	Adopted Budget	Adjustments	Amended Budget
Total Revenue	\$874,565	(\$73,615)	\$800,950
Expenses

Controllable Expense	383,218	(55,918)	327,300
Non-Controllable	109,862	(3,697)	106,165
Transfers Out	1,410	0	1,410
Total Expenses	\$874,565	(\$73,615)	\$800,950

BE IT FURTHER RESOLVED, that the Fair Budget will be closely monitored throughout 2009 and amended as necessary.
